

Brave and Strong Fire Truck Pull

Saturday, June 13th, 2015

*After the Cicero Community Festival Parade in
the Sacred Heart Church Parking Lot*

Being Brave and Strong is what it is all about!!! This year the Cicero Chamber of Commerce is partnering with Griffin's Guardians. Griffin's Guardians is a non-profit whose mission is to assist children battling cancer and their families with support and financial assistance, to raise awareness for Pediatric Cancer and to fund Pediatric Cancer research.

In honor of Griffin Engle, who passed away at the age of 7 from brain cancer, Cicero Police Officer John Cottrell has offered to pull a fire truck across the parking lot of Sacred Heart Church! All monies raised will be given to Griffin's Guardians to help the brave little heroes of today and provide them with **HOPE** for tomorrow. Please visit griffinsguardians.org to not only learn more about the amazing organization but to learn about the little boy who inspired so many.
